The attention of Investors, Trustees, Executors, and others desiring an unusually safe, reliable and profitable

CENTRAL PACIFIC RAILROAD FIRST MORTGAGE BONDS.

It is commonly known that the general government, for wise purposes, has given its aid and encouragement to the Pacific Ocean across the Territories to connect with the various Eastern branches of the Pacific Railroad system,

concentrate.

THE CENTRAL PACIFIC RAILROAD COMPANY, who are carrying it forward with greater energy and persistence than was ever shown in any similar work, in ancient or modern times, will build, equip, own and counted the western half of the National Trunk Line, the most productive, favored and valuable portion of the whole, and may justly be regarded as possessing the richest franchise ever granted on this continent.

The net profit upon operating the 94 miles open for business for the year 1857 amounts to \$1,20,000 in gold which, considering the circumstances, is without parallel in the history of railroads.

The Central Pacific Railroad Company offer for sale their FIRST MORTGAGE THIRTY YEAR SIX PER CENT and suomit to investors the following, among other obvious considerations, and invite the comparison with the merits and excellencies of any class of corporate securities:—

I. These bonds are based upon the most vital and valuable, part of the Grand National Pacific Railroad, soon to continent.

II. The local settlement and business therefrom are re-

remainder will be leaded to be labeled by the United States government upon a road is provided by the United States government upon a road is provided by the United States government upon a subordinate lien.

Y. The State and chief cities of California have contributed upward of \$3.00,000 to the enterprise without lien.

VI. The grant of land is destined at an early day to prove of far greater market value than the total of the First Mortgage Bond; issued upon the road and equipments.

VII. This road lies altogether among the gold and silver producing regions, and its revenues are received in coin.

VIII. The management of this company has been in the highest degree prudent and frugal; and the whole surplus, after payment of expenses and interest, is devoted to construction purposes. with the management of this company has ocen in the highest degree prudent and frugal; and the whole surplus, after payment of expenses and interest, is devoted to construction purposes.

IX. The interest liabilities of the company are even now less than a third the net earnings upon the road pledged.

X. Both principle and interest are psyable in gold, under special provisions of both national and State enactments.

The bonds are in sums of \$1,000 each, with semi-annual gold coupons attached, and are offered for sale at 25 per cent of their par value and accrued interest from January 1 added, in currency.

The back interest is charged at six per cent in currency, though repaid in full in gold. At this time they yield nearly, we are coveraged to the supercovers.
